## **Foreword by Jo Ching (Facilitator):**

Welcome to the Gateway of Ancient Astrology.

Vedic Astrology, a thousands-year old science, is famed for its supreme accuracy in mahadasha and transit, which refer to the major and even daily luck cycle of a person. Vedic system of using moon as the focus plus its unique 27 nakshatra (lunar mansions) is the beauty of this divine art. Based on the lagna (natal) chart, our Guest Trainer, Mr Amey, once spot on that a close friend of mine has a mole on his left chest. He has also amazed me with his readings on many charts that I tested him and without fail, he showed me how fine and accurate the Vedic system can predict an event right to the hour and even infiltrate into the darkest part of our destiny and thoughts.

If you are keen to arm yourself with a destiny analysis tool that uses REAL planets and constellations to predict life events, this is the right course. It goes down to inputting your DOB, minute of birth, GMT, longitude and latitude of birth place to give u that supreme accuracy in prediction. The concept is straight-forward and logical.

With a good foundation in astrology, you can later go on to specialise in Horary, Medical Astrology, Stock and Forex Astrology, Mundane Astrology, Gaming Astrology and etc.

## **Profile of Trainer**

Mr Amey of India is a highly talented gentleman who has extraordinary command and knowledge in various branches of Vedic astrology like Parashar, palmistry, face reading, numerology, gemology, color astrology, medical astrology, corporate astrology, Vastu shastra, Krishnamurti Kundli and non-conventional astrology.

Adept in financial astrology, Mr Amey also advises his clients on investment in metals, currency, stock markets and etc.

He believes that God has blessed him with such divine talent and gift in astrology and his mission of life is to therefore use this ancient knowledge to help people to succeed. Our academy is blessed to have Mr Amey's concurrence and trust to specially fly in from India to teach this subject in Singapore.
