Destiny Academy is privileged to invite and co-organise this event with Taiwan's renown Feng Shui master, Lin Zhi Yin (林志縈), to bring to you this unique experience of landform educational tour.

About Our Guest Lecturer, Master Lin Zhi Yin

Master Lin Zhi Yin, who is regarded as an authority in Taiwan landform fengshui, has authored many impactful feng shui books and some of them are:

- 三元地理些子法揭秘 (Revealing Secrets of San Yuan Di Li Xie Zi Fa)
- 玄空六法秘诀图解 (Xuan Kong Liu Fa Secrets Revealed)
- 玄空风水玄机飞星赋评注 (Xuan Kong Feng Shui Xuan Ji and Fei Xing Classics Commentary)
- 乾坤国宝龙门八局图解 (Qian Kun Guo Bao Dragon Gate Secrets Revealed)

What Does it Cover?

The entire expedition comprises in-depth learning on theories of landform but at the same time, participants will also enjoy picturesque sceneries, special local delights, night market shopping and exclusive stays near mountain area.

The trip will be led by both **Masters Lin Zhi Yin and Jo Ching** covered in Mandarin (with some Hokkien) and English. There will be lecture notes to be issued out before the trip so that you are familiar with the technical terms and lingo. Landform fengshui does not require one to be trained in complex fengshui formula because what you need is simply your eyes and legs.

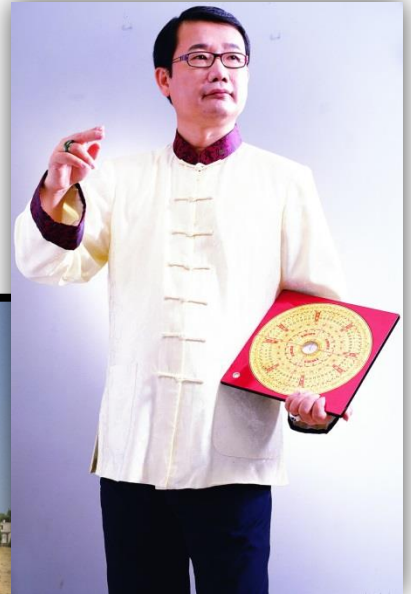

We will be covering close to 40 sites that include:

- ✓ Burial sites of famous former presidents and politicians' ancestors
- ✓ San He Yuan and Shi He Yuan, old Chinese houses
- ✓ Majestic Temples
- ✓ Burial sites of Famous Tycoons' Ancestors
- ✓ Teresa Teng's Burial Site
- ✓ Life Burial Cemetery Park and late Feng Shui Guru, Zeng Zi Nan's own burial site
- ✓ Guan Yin Mountain's Reverse Water Flow
- ✓ Different Type of Dragon Spots

You will be taught why some of them prosper and why some did not do well just simply based on the mountain and river flow. Amazing Practical knowledge acquired instantaneously!
